MEMORANDUM FOR: Acting Chief, DPD-DD/P

TO: Chief, Administrative Staff, DPD-DD/P *ag*

SUBJECT: Security Branch, DPD-DD/P

1. This memorandum contains a recommendation for your approval in paragraph 3.

2. The space presently occupied by the Security Branch, as you are aware, is quite congested. It is believed that the efficiency of this Security operation would be considerably improved if additional space were made available.

3. It is suggested, therefore, that when the Conference Room is vacated by its temporary occupant, [redacted] that that space be made available to the Security Branch. If this proposal is approved the space could be occupied with very minor changes in the existing partitions. It would be suggested that the temporary wall behind the row of stenographers in this office be moved in the direction of [redacted] office.
